# We'll Take Care of That for You.

## **EQUIPMENT SETTING / RIGGING EXPERIENCE**

When you have need for critical equipment setting, repair or modifications, and precision installation, alignment and/or heavy rigging is required in challenging and confined spaces, the Rudolph Libbe Group in Ohio and Michigan can take care of it for you. We specialize in turnkey solutions from the design/planning stage to storage, transportation, installation, alignment leveling, anchoring, whether new equipment or relocation projects.
