“We started working with Rudolph Libbe to find a good site for us, and we shared with them our vision for the project and what our needs were.”

Mayle LLC | Perrysburg, OH

Mayle LLC, a litigation law firm serving clients across Ohio, invested approximately \$1 million to construct a new 3,150-square-foot, one and a half-story office located in Perrysburg. Mayle worked with Rudolph Libbe for about two years to find the right location – a site that needed to be completely developed.

Rudolph Libbe served as design/build contractor with its own tradespeople self-performing sitework, concrete, masonry, and carpentry. The one and a half-story office features brick and cedar. The wood was treated with the Shou Sugi Ban ancient Japanese technique.

Rudolph Libbe's Special Accounts group manages construction projects ranging from \$500 to \$500,000, as well as 24/7 emergency facility services.
