

“

We valued Rudolph Libbe Group's professionalism... We decided to go with Rudolph Libbe due to the years of service they have given Toledo and the amount of ASC centers they have built.

Midwest Vascular & Varicose Vein Center

Midwest Vascular & Varicose Vein Center | Holland, OH

To become a licensed Ambulatory Surgery Center (ASC), Midwest Vascular & Varicose Vein Center needed to expand and renovate. Keeping the clinic open during construction was mandatory, so staff and patient safety was planned into the project. The team ensured that the clinic was protected from dirt, dust and noise. They also met with the owner and phased the job differently to save time.

The company selected Rudolph Libbe Inc. to serve as general contractor for the 1,288-square-foot surgical center addition and 729-square-foot remodel. Rudolph Libbe's own craftspeople self-performed concrete foundations, floor slab, masonry/brick veneer and carpentry.

Rudolph Libbe's Special Accounts group manages construction projects ranging from \$500 to \$500,000, as well as 24/7 emergency facility services.
